Summer School Program

The **INFINITY Online** program offers students the option to take online courses during a 7-week summer session. INFINITY's Summer School program provides the opportunity to make up a course or take a course ahead of schedule for advancement

How does **INFINITY's Summer School** work? Students register anytime before June 10 and start their online course on Monday, June 15th. Students must have reliable access to high speed internet, as they will be expected to login daily to work on their online assignments. Instructors will be available through the online course management system to facilitate questions, participate in discussions, and provide feedback and support. Courses will run for seven weeks, ending on July 31st.

How to Apply

- Go to www.mninfinitivity.org
- Click on the "Enroll Now" button (at the top of the page)
- Follow the simple four step application process.
